

## Proposed Inchamore Wind Farm, Co. Cork.

### Schedule of Developments in the vicinity of the Development

#### Cork County Council

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
174167	A solar photovoltaic panel array consisting of up to 37,800 m2 of solar panels on ground mounted steel frames, 2 no. electricity control cabins, underground cables & ducts, inverter units, hardstanding area, boundary security fence, CCTV, all associated site works and services.	01-11-17	3.91 km from centre of Site	Large Scale Development
215127	The erection of a temporary 100m high lattice type meteorological mast for a period of 5 years. The structure will be fixed to ground anchors by stay wires and will include instruments for measuring local climate conditions and all ancillary works.	31-08-21	0.49 km from centre of Site	Large Scale Development
224724	The development will consist of a soil recovery facility for greenfield soil and stones with smaller quantities of concrete, bricks, tiles, and ceramics (the concrete, bricks, tiles, and ceramics will be used for internal road building). The proposed development will involve the remediation by infilling of existing agricultural land which was historically excavated in the past. The site comprises 1.58 hectares, of which 1.09ha will be fill area. The proposed development incorporates improving the existing site entrance, and all ancillary works associated with the development.	24-01-23	1.86 km from centre of Site	
217318	Erecting a 30m high latticework telecommunications structure together with antennas, dishes and associated telecommunications equipment enclosed by security fencing and all associated site works with an extension to the existing access track.	15-02-22	1.5 km from centre of Site	Large Scale Development
224455	Permission for new two storey dwelling with attached garage, sewerage system, site entrance and all associated works.	25-04-22	2.82 km from centre of Site	
196555	Reclamation of land for agricultural use by filling low lying area with imported fill.	16-04-20	3.59 km from centre of Site	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
166754	To alter condition no. 2 of previous planning ref 15/5991 from “the maximum number of loads delivered to the site each day shall be 4 loads” to a maximum of 11 loads per day.	22-12-16	3.61 km from centre of Site	
155991	Reclamation of land for agricultural use by filling low lying area with imported fill.	17-02-16	3.54 km from centre of Site	
146165	Dwellinghouse, garage and septic tank, extension of duration to permission granted under Planning Ref. no. 09/4190	of duration by CCC C	3.44 km from centre of Site	
165208	Permission for construction of a single storey extension with attached lean-to structure for domestic storage to rear, and porch extension to side of dwellinghouse, and Permission for retention of minor alterations to elevations (changes to doors and windows from that permitted under Planning Reg. No. 01/5772 to include: a door in place of the permitted window on rear eastern elevation, omission of window on rear elevation, inclusion of bathroom window on eastern elevation, and 1 no. larger window in place of 2 no. permitted smaller windows on western elevation. (Cead do sineadh aon stoir ar teach, le claonseantain ceangailte leis le haghaidh storala tis ar chuil, agus sineadh poirse ar taobh an ti, agus cead coinneala le haghaidh athruithe beaga ar na ingearchlonna (athruithe ar doirse agus fuinneoga o na cinn a bhi ceadaithe faoi Tag Pleanala Uimh 01/5772, a n-airitear doras in ionad an fhuinneog ceadaithe ar ingearchlo thoir cuil, fuinneog a fhagail ar lar on ingearchlo cuil, fuinneog folctha sa bhreis ar an ingearchlo thoir, agus 1 fuinneog mor in ionad 2 fuinneoga nios lu ar an ingearchlo thiar)	11-05-17	1.27 km from centre of Site	
216559	Permission for the retention of existing as built residential unit.	12-01-22	3.21 km from centre of Site	
164268	Change of use of silage shed to cubicle house, construct a slatted house, silage base, and associated site works.	05-04-16	2.61 km from centre of Site	
204959	(A) Demolition of existing calf house (B) Construction of milking parlour, handling facilities, waiting yard and associated slatted tank (C) Erection of meal bin (D) Construction of calf house and all associated siteworks.	11-08-20	2.61 km from centre of Site	
214587	The construction of a new dwelling house, domestic garage and associated site works.	30-04-21	2.49 km from centre of Site	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
186505	Construction of a dwellinghouse, the change of use of an existing semi-derelict dwellinghouse to domestic store, a new wastewater treatment system with tertiary filter, enhanced site landscaping, vehicular access via an existing site entrance and all ancillary infrastructure and associated site development works above and below ground level at a site of approximately 1.346 ha.	13-11-18	2.91 km from centre of Site	
184273	Construction of a dwelling and detached domestic garage and carrying out of all associated site works, including the installation of a treatment unit and soil polishing filter.	27-03-18	2.95 km from centre of Site	
156009	Construction of a dwellinghouse, domestic garage and associated site works.	19-01-16	3.46 km from centre of Site	
145105	Dwelling, domestic garage and proprietary treatment unit.	21-07-14	3.72 km from centre of Site	
196056	Chun "Slatted House" a thógáil comh maith le hoibreacha laithreáin a bhaineann leis. / To construct a new "Slatted House" and associated site works.	11-11-19	3.79 km from centre of Site	
225591	Chun suíomh athbheithnithe an "Slatted House" nua a choinneáil, comh maith le hoibreacha laithreáin a bhaineann leis, a fuar chead pleanála uimhir 19/06056 roimhe. / Permission for retention of revised location of new slatted house and associated site works previously granted planning permission number 19/06056.	11-11-19	3.81 km from centre of Site	
185390	The construction of a two storey dwelling, garage, wastewater treatment system and ancillary site works.	22-08-18	3.69 km from centre of Site	
146835	Change of use of disused school building to dwellinghouse and installation of domestic waste water treatment unit and associated site works.	26-02-15	3.37 km from centre of Site	
216559	Permission for the retention of existing as built residential unit.	03-12-21	3.19 km from centre of Site	
216769	Permission to raise the level of permitted Astro turf playing pitch along with perimeter fencing and entrance gates together with all other ancillary site works to that permitted under planning reference number 20/6706.	03-12-21	4.23 km from centre of Site	
116580	Construction of a single storey extension to existing primary school and associated works, relocation of the existing portacabin classroom and retention of the existing portacabin classroom	09-02-12	4.18 km from centre of Site	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
206706	Cead pleanála iomlán a lorg chun páirc astro-turf a thógaint, chomh maith le claí fan imeall na páirce agus geataí iontrála, mar aon leis na hoibreacha suímh foghabhálacha. - Seek full planning permission for the construction of an astro-turf park, as well as a field edge fence and entrance gates, together with ancillary site works.	04-02-21	4.17 km from centre of Site	
205603	Cead pleanála iomlán le haghaidh athrú agus síneadh a chur ar an scoil. Is seo a leanas a bheidh ann: an seomra réamhdhéanta atá ann a chur i suíomh difriúil. Gnáth sheomra ranga seomra oideachas speisialta, díolcheantar agus clós spraoi clúdaithe, a bheidh ceangailte leis an síneadh nua, a thógail chomh maith le fosheirbhisí eile. (Full planning permission for alterations, and construction of extension to the school. - This will be as follows: relocation of the existing prefabricated room. Normal classroom, Special education room, circulation area and covered playground, attached to the new extension, along with other ancillary services)	13-10-20	4.22 km from centre of Site	
194972	Renewable energy development consisting of the provision of a 7 turbine wind farm, solar photovoltaic array, electricity substation, battery storage compound and all associated works consisting of the following, i. Up to 7 wind turbines with an overall blade tip height of up to 150 metres and all associated foundations and hard-standing areas; ii. Up to 70,000sq.m solar photovoltaic array, with up to 17 associated inverters and 2 no. control cabins; iii. 1 no. borrow pit, iv. 1 No. permanent meteorological mast with a maximum height of up to 100 meters; v. Upgrade of existing and provision of new site access roads, vi. 1 no. 38kV electrical substation with 1 no. control building with welfare facilities, associated electrical plant and equipment security fencing and waste water holding tank; vii battery storage compound accommodating 4 no. battery storage containers, security fencing, and associated electrical plant and equipment, viii. Forestry felling ix. 1 no. temporary construction compound, x. Site drainage xi. All associated internal underground cabling; xii. 38kV underground grid connection cabling; xiii. All associated site development and ancillary works. The proposed development will have an operational life of 30 years from the date of commissioning of the development and the application seeks a ten year planning permission. An Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS) have been prepared in respect of the proposed development.	18-11-19	5.25 from centre of Site	Large Scale Development

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
234455	Alterations to the dimensions of the 7 no. wind turbines permitted as part of the Knocknamork Renewable Energy development (planning reference 19/4972). The proposed development includes the provision of 7 no. wind turbines with an overall ground to blade tip height of 175m (an increase of 25m, from 150m), a rotor blade length of 75m and a hub height of 100m, and all associated site development and ancillary works, an operational period and planning permission duration to align with the existing permission (planning reference no. 19/4972 ) is sought. An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development and accompany this application	08-05-23	5.23 km from centre of Site	Large Scale Development
195250	To construct a two-storey dwelling with domestic waste water treatment system and percolation area, a detached garden store, new site entrance onto existing private road with walls and piers and all associated site works	11-07-19	4.9 km from centre of Site	
185008	“Slatted House” nua a thógáil comh maith le hoibreacha laithreáin a bhaineann leis. (Construction of slatted house along with associated site works	13-06-18	5.0 km from centre of Site	
234370	The importation of soil and stone for the raising of an agricultural field in order to improve the agricultural output of the field, the construction of a new temporary entrance and a new temporary haul road for the duration of the land improvement works. The entrance will be closed and the haul road removed once works are complete. Extension of Duration to Permission granted under Planning Ref. No. 17/5212 & PL04.249314	25-04-23	4.7 km from centre of Site	
234358	Construction of grass mounds, erection of sculptures and all associated works	25-04-23	0.04 km from TDR	
205840	Renovations and alterations to existing community centre building, including installation of 22no. 275W 60 cell roof mounted P.V. panels and ancillary site works.	05-10-20	0.01 km from TDR	
214439	Construction of a two-storey mixed-use development, namely; ground floor retail premises, and first floor residential (2no. apartments), along with associated site works.	16-04-21	0.01 km from TDR	
225444	Permission for the construction of a grass mound and erection of a commemorative sculpture and all associated works.	15-08-22	0.01 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
194640	A residential development of 30 no. dwellings and all ancillary site development works. The proposed development consists of 29 no. two-storey townhouses comprising of 4 no. 2 bedroom dwellings and 25 no. 3 bedroom dwellings and 1 no. 2 bedroom bungalow. Vehicular and pedestrian access to the proposed development will be via a new entrance off Warren's Court and makes provision for the upgrade of the existing access road, the provision of a public footpath, public lighting and upgrades to the junction with the N28.	10-07-19	Roadside from TDR	
224577	Removal of external inclined conveyer system to warehouse as permitted under Cork County planning Ref. 06/13900 and replacement with vertical elevator and associated pit and a horizontal enclosed conveyor with supporting bridge structure and all associated site works.	11-07-22	0.05km from TDR	
205207	The construction of a 1 storey water treatment & electrical building and a 2 storey electrical room extension to the existing finished goods building at the production facility. The site currently operates under an Industrial Emissions (IE) license (P0013-04) under part IV of the Environmental Protection Agency Act 1992 (as amended for the Protection of the Environment Act, 2003). The new development is on a site to which the Chemical Act (Control of Major Accident Hazards Involving Dangerous Substances) regulations 2015 (S.I. 209 of 2015) applies.	31-07-20	0.01 km from TDR	
184414	Construction of a sub-station at production facility. The proposed development is covered by an existing Industrial Emissions Licence No. P0013-04. The development refers to a modification to an establishment to which the Major Accident directive applies.	27-03-18	0.01 km from TDR	
186595	The construction of a ground floor extension to the rear of the existing Engineering Building and a one storey electrical building to the north west of the existing Engineering Building at their production facility. The proposed development is covered by an existing Industrial Emissions Licence No. P0013-04. The development refers to a modification to an establishment to which the Major Accident Directive applies.	19-11-18	0.01 km from TDR	
206995	Works involving the replacement of approximately 80m of existing 2.4m high chainlink fence and associated gates with new 2.4m high green palisade security fencing/gates and all associated works at an existing Above Ground Natural Gas Installation.	17-02-21	0.05 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
224629	The construction of a two storey value added seafood factory building with R&D and ancillary office accommodation to the first floor, complete with the following (i) signage (ii) car, cycle and motorcycle parking; (iii) internal access roadways, yard area with dock levellers, w.c. and shower facilities, back-up generators, and bunded fuel tanks (iv) fire water storage tank and associated pumps; (v) substation; (vi) security gates and fencing (vii) 1 no. access to the estate road; (viii) underground storm water attenuation, and all associated site development and landscaping works.	05-08-22	0.01 km from TDR	
216106	Decommission existing septic tank system and install a new treatment plant and soil polishing filter in its place to serve existing dwellinghouse (as currently being extended under Planning Ref. 20/4005).	02-09-21	0.03 km from TDR	
204005	Alterations and extensions to an existing dwelling, decommissioning of an existing septic tank, a new connection to the mains foul sewer on the public road and all other associated site works. Permission is further sought for retention of an existing temporary habitable structure (mobile home) on the site which is to be used by the applicant during the course of the proposed works and is to be removed on completion of same.	11-02-20	0.03 km from TDR	
215418	The construction of a temporary 290-space car park, with associated bus turning and set-down area, and site lighting. The car park will operate for a period of up to 24 months.	16-07-21	0.03 km from TDR	
196166	Change of use of existing creche/montessori to a proposed dwellinghouse with no external alterations.	02-12-19	0.03 km from TDR	
216509	Alterations, including partial demolition, and new extension to dwelling incorporating a granny flat, demolition of existing shed and associated site works.	16-03-22	0.04 km from TDR	
185229	Permission for the retention of i) a single storey extension to the front, ii) elevational changes, iii) the conversion of a garage and store to habitable rooms and iv) for permission for the installation of a proprietary treatment unit and soil polishing filter, at the existing residential care unit.	02-07-18	0.01 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
195428	Permission to install a fire escape window in existing loft space to accommodate a habitable room (complete with louvres to prevent overlooking), two proposed rooflights and all associated works. Retention is also sought for minor alterations to elevations and rooflights and minor alterations to internal layout to that granted under planning permission reference 15/04795 relating to existing split-level dwelling house.	22-07-19	0.01 km from TDR	
194301	Modifications and elevational changes to an existing retail unit (Protected Structure). The proposed development includes the partial demolition and reconstruction of the north-western corner of the building to improve vehicular and pedestrian access within the Mills complex; the closure of an existing pedestrian entrance on northern elevation and relocation of existing signage on the northern elevation; the provision of a revised entrance and new ancillary signage on the western elevation; a new fire escape on the eastern elevation and all ancillary development including the demolition of a ESB substation.	28-05-19	0.01 km from TDR	
194036	A part single-storey, part two-storey building (c. 4,378m <sup>2</sup> in area) with ancillary workshop and offices. The building is to be constructed in two phases, with Phase 1 comprising part single-storey, part two-storey building (c. 1,929m <sup>2</sup> ) to be used for the hire and sale of plant and/ or machinery and/or tools; and Phase 2 comprising a single-storey building to be used as a warehouse (c.2449m <sup>2</sup> ). The proposed development also includes an external yard for the storage of plant/machinery; palisade fence/wall to boundaries; signage, including stand-alone totem sign; car parking; replacement new access from Blackash Road; and all associated site development, drainage and landscaping works. A Natura Impact Statement (NIS) will be submitted to the Planning Authority with the application.	30-07-19	0.01 km from TDR	
184243	The development will comprise of one no. light industrial/warehouse building (5459 sqm) (capable of subdivision upto three no. units) including ancillary office space, car parking, 10m high site signage substation and associated site works. The proposed building will be capable of accommodating warehousing/distribution (logistics)/light industrial.	24-05-18	0.01 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
186402	Construction of 10 no. dwellinghouses and all associated ancillary development works including car parking, access, landscaping and amenity areas (the proposed development will replace 21 no. apartments previously permitted under Planning Reg. No. 00/3131 and An Bord Pleanala Ref. PL04.130788) Extension Of Duration of Permission granted under planning 13/4773.	26-10-18	0.05 km from TDR	
225656	Intend to apply for 10 year planning permission. Underground electricity grid connection cabling, substation and ancillary site works. The development will comprise (1) a grid connection consisting of medium voltage cables and ducting in a excavated trench with a total length of c.1194 meters which will be installed on private land and public roads (L-2216 & L-22161); (2) control/switching substation consisting of either (i) single storey block building or (ii) 2 no. modular units; (3) cable beam over grange hill stream; (4) provision of ring main unit (RMU); (5) and all associated site development and reinstatement works. The proposed development includes minor revisions to the approved layout of the solar farm previously permitted under Cork County Council planning reference 18/5760 comprising omission of substation and satellite mast, and provision of the above referenced RMU, and the addition of a cable beam and underground cabling. The purpose of the proposed development is to connect the permitted solar farm under reference 18/5760 to the national grid at the existing Ballincollig 38Kv substation.	10-11-22	0.01 km from TDR	
224769	Demolition of existing dwelling, construction of two storey dwelling, sewerage system, upgrade to site entrance and all associated works (change of design to previously permitted under Planning Ref. 19/6060)	15-11-22	0.03 km from TDR	
196060	Demolition of existing dwelling, construction of new dormer type dwelling, domestic garage, waste water treatment and percolation system, relocation of site entrance and all associated site works.	10-10-19	0.03 km from TDR	
206720	Permission for 9 no. residential serviced sites and all ancillary site development works including access roads, footpaths, parking, drainage, landscaping and amenity areas.	05-02-21	0.03 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
214669	<p>The proposed development will consist of the lateral extension of the Classis South Quarry (planning references 03/4253, PL04.205925 and 14/4728) for the extraction of sand and gravel (aggregate) within a ca. 15.049 ha application area. The extraction area will extend to ca. 8 ha and to a maximum depth of 13 mOD (ca. 8.6 metres below the winter water table). The aggregate will be transported by a proposed on-site temporary conveyor to the existing, authorised fixed conveyor (permission 19/4530). An initial construction phase of up to 12 weeks will include the stripping of topsoil, installation of on-site temporary welfare facilities (port-a-loo ca. 6m2 by 2.3m), two concrete parking plinths (ca. 56m2 and 36m2), concrete refuelling plinth (ca.80m2) and associated interceptor and drainage, and installation of an access road to connect the existing Classis South Quarry to the proposed extension ca.101 m long by ca. 5 m wide incorporating a culvert (ca. 4 m in height), installation of screening embankments to a height of 3.1 m, installation of fencing and all associated site works. The operational phase of up to 7 years duration will include extraction and then transport of aggregate via conveyor. The proposed development will include a rehabilitation phase of up to 2 years duration to form a water body, united with the existing Classis South Quarry water body. An Environmental Impact Assessment report and Natura Impact Statement will be submitted with the planning application.</p>	14-12-21	0.01 km from TDR	Appealed
194530	<p>The continuance of use of an existing conveyor system to facilitate continued transport of sand and gravel to the nearby processing plant and culvert under the N22 roadway in the townland of Knockanemore</p>	18-04-19	across TDR	
226417	<p>The development will consist of: a readymixed concrete plant (comprising a feed ramp, 5 no. bins, a batch conveyor, a mixer house and 2 no. cement silos) with associated concrete reclaimer unit, electricity supply and switch room building (47sqm), lab/store building (14sqm), bunded fuel tanks, hard and soft landscaping and all other site excavation, infrastructural and site development work above and below ground. The proposed development will operate from 07.00hrs to 18.30hrs Monday to Friday inclusive and from 08.00hrs to 16.00hrs on Saturdays inclusive (no operation on Sundays, Bank and Public holidays). Permission is also being sought for occasional out of hours operation, up to a maximum of 40 no. occasions per year (excluding Sundays, Bank and Public holidays), outside of normal operating hours. There is no changes proposed to the permitted pit operating hours.</p>		0.04 km from TDR	NEW APPLICATION

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
194385	(1) The construction of single storey extensions to the west and south of an existing dwelling, alterations to existing elevations, modifications to the existing internal layout and all associated site works (2) The retention of a sunroom at ground floor level and an attic conversion to bedroom accommodation including a dormer extension with window to south and first floor windows on east and west elevations of existing dwelling (3) The retention of a domestic garage.	15-04-19	0.05 km from TDR	
185155	Development consists of restoration of part (c. 6.7 ha) of existing quarry (QR19 06/11798 & PL04.225332) by importation of up to 300,000 tonnes per annum of inert soil and stones and river dredging spoil (EWC 17-05-04 and 17-05-06). The proposed soil recovery facility will utilise the permitted quarry infrastructure including internal roads, site office, welfare facilities and other ancillaries to complete the works. Access to the site will be from the permitted main entrance on the N22 National Primary Road. A wheel wash and weighbridge will be provided as part of the proposed development and the existing workshop will be utilised as a quarantine area. A hard-stand with drainage to oil interceptor will also be provided as a designated refuelling area. The total application area including the site infrastructure covers 7.9 ha of lands. The development will be subject to the requirements of the waste management licence. An Environmental Impact Assessment Report (EIAR) will be submitted to the Planning Authority with the application.	22-11-18	0.01 km from TDR	
216282	New two storey dwelling with additional attic accommodation, domestic garage, sewerage system, and all associated works – house previously permitted as part of master planning reference 16/07237 with site boundary works previously completed.	07-10-21	0.01 km from TDR	
224953	(a) sub-division of ground floor of dwelling to use as two separate (2 bed and 3 bed) apartment units (b) single storey side annex for storage/toilet/utility use. (c) new rear boundary wall and (d) general modifications to window/door opens.	27-10-22	0.02 km from TDR	
226258	Permission for construction of dwelling (change of layout and design from that previously granted under pl.reg.21/6639), proprietary waste water treatment system and all associated site works at Rosemount House (a protected structure - RPS Reg. No. 00553)	19-01-23	0.01 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
226316	(1) the construction of a ground floor extension, (2) The conversion of the attached garage to utility/ ancillary space, (3) The replacement of an existing mono-pitch roof with a flat roof, (4) alterations to fenestration and (5) all associated site works to existing dwelling.	07-12-22	0.01 km from TDR	
184885	Retain rear extensions, domestic garage and dwelling as constructed (change of layout and design from that permitted under Planning Reg. No. S/98/1422) and permission to construct extension to rear of dwelling and all associated site works.	10-12-18	0.01 km from TDR	
196279	Retention for alterations to existing cottage including partial removal of roof tiles and removal of windows, guttering and chimney to cottage, partial removal of roadside boundary wall and widening of site entrance and excavation/alteration of existing ground levels and removal of topsoil and permission to remove remainder of out-building and construct new two storey extension to rear of existing single storey cottage, completion of roof and facade alterations to existing cottage, new domestic garage, new sewerage treatment system to replace existing system, completion of works to existing roadside boundary wall and all associated works.	09-12-19	0.02 km from TDR	
225306	4 no. residential serviced sites, construction of 2 no. new shared entrances, roadside boundary walls, 4 no. individual wastewater treatment systems and all other ancillary site works.	11-01-23	0.02 km from TDR	
225426	Permission for the construction of dwellinghouse and domestic garage, new shared entrance, wastewater treatment system, 2.4 meter high noise mitigation fencing to roadside boundary together with all other ancillary site works.	11-08-22	Roadside from TDR	
195391	Upgrading and relocation of existing septic tank serving dwellinghouse to proprietary treatment system.	17-07-19	0.01 km from TDR	
195652	Construction of dwellinghouse and domestic garage and all associated site works. Extension of Duration of Permission granted under Planning Reference: 14/5284.	14-08-19	0.01 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
216900	Works to existing single storey dwelling, 1) demolition of existing side extension, 2) construction of new 1 1/2 storey extension to side of existing dwelling, 3) internal and external alterations to existing dwelling, 4) new sewerage system to replace existing septic tank, 5) re-located site entrance, 6) demolition of 2 no. existing out-buildings/sheds, 7) construction of new domestic garage with loft storage and 8) all associated works.	17-12-21	0.01 km from TDR	
224173	The change of use of a site from temporary soil storage area / construction compound to that of permanently improved agricultural grassland.	28-03-22	0.02 km from TDR	
206736	The change of use from temporary soil storage area/ agricultural field to a permanent environmental berm.	02-02-21	0.02 km from TDR	
217049	The change of use of a site from temporary soil storage area / bedrock processing compound to that of permanently improved agricultural grassland.	16-05-22	0.02 km from TDR	
215453	The construction of new milking parlour and meal bin along with the construction of new agricultural cubicle house and scraping areas which will be attached to existing agricultural units together with all other ancillary siteworks.	27-08-21	0.01 km from TDR	
184581	Construction of new agricultural slatted unit which will be partly attached to existing agricultural building together with all other ancillary site works	30-05-18	0.01 km from TDR	
224994	Demolition of existing dwellinghouse, construction of new dwellinghouse and garage in lieu thereof, new entrance, wastewater treatment system, together with all other ancillary site works.	11-10-22	0.01 km from TDR	
206977	The importation of soil & stone for the raising of an agricultural field in order to improve the agricultural output of the field.	13-08-21	0.02 km from TDR	
234415	Change of use of a site from temporary soil storage area/compound to that of permanently improved agricultural grassland.		0.02 km from TDR	NEW APPLICATION
216547	Construction of a one and a halfstorey dwelling, domestic garage, sewerage system, site entrance and all associated works.	05-11-21	0.02 km from TDR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
184182	A battery energy storage facility which will comprise of rechargeable battery units contained within up to 39 No. 40 foot containers on site and the associated development of unit substations, a 110 kV substation, security fencing, security cameras, lightning mast, new site roads and the upgrading of the existing vehicular access. The facility will connect into the adjoining Ballyvouskill ESB substation via underground cable. All associated site development, landscaping and boundary treatment works above and below ground.	30-11-18	0.01 km from GCR	
205281	Proposed modifications to the previously permitted development (planning ref: 18/06438 granted on 7th March 2019).The proposed modifications will comprise the additional construction of one (1) harmonic filter, one (1) HV circuit breaker (including CT and VT), one (1) MV disconnecter and earth switch, two (2) cable sealing ends, three (3) additional lightning masts (approximately 25m high) and additional lamppost lightning. It further includes a retaining wall (approximately 2.5m high), asphalt (non-permeable) surfacing, additional permanent access road, additional fencing to match existing 2.6m high palisade, additional permanent access gate and all other ancillary site development works. The development will remain an extension to the existing substation and this extension will have an overall site area (within the planning application boundary) of 0.73ha. Access will continue to be provided via a L5226 and the R582.	17-08-20	0.01 km from GCR	
186438	The proposed development will comprise the construction of one (1) no. ± 100 Mvar STATCOM transformer, one (1) no. auxiliary transformer, three (3) no. reactors, one (1) no. outdoor cooling bank, control and valve building (268m <sup>2</sup> ), underground connection to existing ESB substation. It further includes security fencing, security gate, four (4) no. 25m high lightning masts, permeable surfacing, and an internal access road. There will also be the construction of one (1) no. temporary contractors' compound. The development is an extension to the existing substation and the overall site area (within the planning application boundary) is 0.73ha. Access is provided via a local road (L5226) onto the R582.	28-01-19	0.01 km from GCR	

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
185686	Construction of a battery storage compound including 2 no. battery storage buildings with associated plant and equipment, an ancillary 110kV electricity substation with 2 no. control buildings, associated electrical plant & equipment and fencing, underground electricity cabling, surface water drainage, site entrance and access track, security fencing and all ancillary site works.	10-01-19	0.05 km from GCR	
<b>Kerry County Council</b>				
21636	(1) CONSTRUCT A TWO STOREY DWELLING WITH SEPTIC TANK AND PERCOLATION AREA (2) DECOMMISSION EXISTING SEPTIC TANK AND PERCOLATION AREA (3) ANCILLARY SITE WORKS ASSOCIATED WITH (1) AND (2) (4) CONVERT EXISTING COTTAGE TO DOMESTIC STORE/GARAGE ANCILLARY TO THE PROPOSED DWELLING ON OUR SITE	44463	4.1 km from centre of Site	
22816	(I) UNDERGROUND ELECTRICAL CABLING (33KV), (II) UPGRADE OF ACCESS JUNCTIONS; (III) ACCESS ROADS (NEW AND UPGRADE OF EXISTING); (IV) TEMPORARY ACCESS ROAD; (V) BORROW PIT; (VI) SITE DRAINAGE; (VII) FORESTRY FELLING; AND (VIII) ALL ASSOCIATED SITE DEVELOPMENT ANCILLARY WORKS AND APPARATUS. THE DEVELOPMENT SUBJECT TO THIS APPLICATION FORMS OF GRID CONNECTION AND ACCESS ARRANGEMENTS WHICH WILL FACILITATE THE PERMITTED KNOCKNAMORK RENEWABLE ENERGY DEVELOPMENT, CORK COUNTY COUNCIL REF. NO. 19/4972. CONCURRENT PLANNING APPLICATIONS IN RELATION TO THE OVERALL GRID CONNECTION AND ACCESS ARRANGEMENTS WILL ALSO BE LODGED TO CORK COUNTY COUNCIL AND AN BORD PLEANÁLA. AN OPERATIONAL PERIOD AND EXTENDED PLANNING PERMISSION DURATION TO ALIGN WITH THE PERMITTED KNOCKNAMORK RENEWABLE ENERGY DEVELOPMNET, CORK COUNTY COUNCIL REF. NO. 19/4972 IS SOUGHT. AN ENVIRONMENTAL IMPACT ASSESSMENT REPORT (EIAR) AND NATURA IMPACT STATEMENT (NIS) HAVE BEEN PREPARED IN RESPECT OF THE PROPOSED DEVELOPMENT AND ACCOMPANIES THIS APPLICATION.	FURTHER INFORMATION - Decision due 24/05/2023	2.93 km from centre of Site and along GCR	Large Scale Development

Planning Ref. No.	Description	Final Grant	Distance (TDR = Turbine Delivery Route) (GCR = Grid Connection Route)	Notes
1876	(A) INSTALL A WASTE WATER TREATMENT SYSTEM TO REPLACE SEPTIC TANK SERVING EXISTING DWELLING HOUSE (B) PERMISSION FOR CHANGE USE OF EXISTING DETACHED OUTBUILDING TO INDEPENDANT HABITABLE DWELLING UNIT/STUDIO INCLUDING REPLACEMENT OF ROOF INCLUDING NEW ROOF LIGHTS, INSTALLATION OF ROOF MOUNTED SOLAR PANELS AND INSTALLATION OF INDEPENDENT WASTEWATER TREATMENT SYSTEM.(C) RETAIN EXISTING DWELLING AND ALL ANCILLARY SITE WORKS WITHIN REVISED SITE BOUNDARIES INCLUDING SUBDIVISION TO PROVIDE SEPARATE SITE FOR SECONDARY DWELLING .	27-06-18	3.76 km from centre of Site	
201263	CONSTRUCT A 100M HIGH TEMPORARY GUYED LATTICE METEROLOGICAL MAST (MET MAST) WHICH WILL BE IN PLACE FOR 5 YEARS. THE STRUCTURE WILL BE FIXED TO GROUND ANCHORS BY GUY WIRES AND WILL INCLUDE INSTRUMENTS FOR MEARSURING LOCAL CLIMATE CONDITIONS AND ALL ANCILLARY WORKS	24-02-21	0.02 km from GCR	
20519	CONSTRUCT AN AGRICULTURAL SHED WITH ASSOCIATED YARDS AND WALLS	06-11-20	4.14 km from centre of Site
