Re: Letter of consent regarding the Planning Application by Inchamore Wind Designated Activity Company for the Inchamore Wind Farm as it relates to Coillte CGA property in Co. Cork

Dear Sirs,

This letter refers to the estate right and title of Coillte CGA in the properties known as Derreenaling, Inchamore and Milleeny, Co Cork which property is outlined in blue on the indicative map (“Map 1”) attached hereto (hereinafter called “**the Property**”).

We refer to the proposal by Inchamore Wind Designated Activity Company to locate 3 turbines, associated roading and cabling requirements, a borrow pit, and a permanent meteorological mast on the Property as part of the Inchamore Wind Farm. The proposed locations of the above as it concerns the Property are shown on Map 1 attached hereto. We wish to advise that we have no objection in principle to the submission of a planning application which solely relates to the proposal to locate 3 turbines, associated roading and cabling requirements, a borrow pit, and a permanent meteorological mast on the Property in the manner illustrated in Map 1 and hereby furnish this letter for the purposes of consent only to the submission of this application by Inchamore Wind Designated Activity Company.

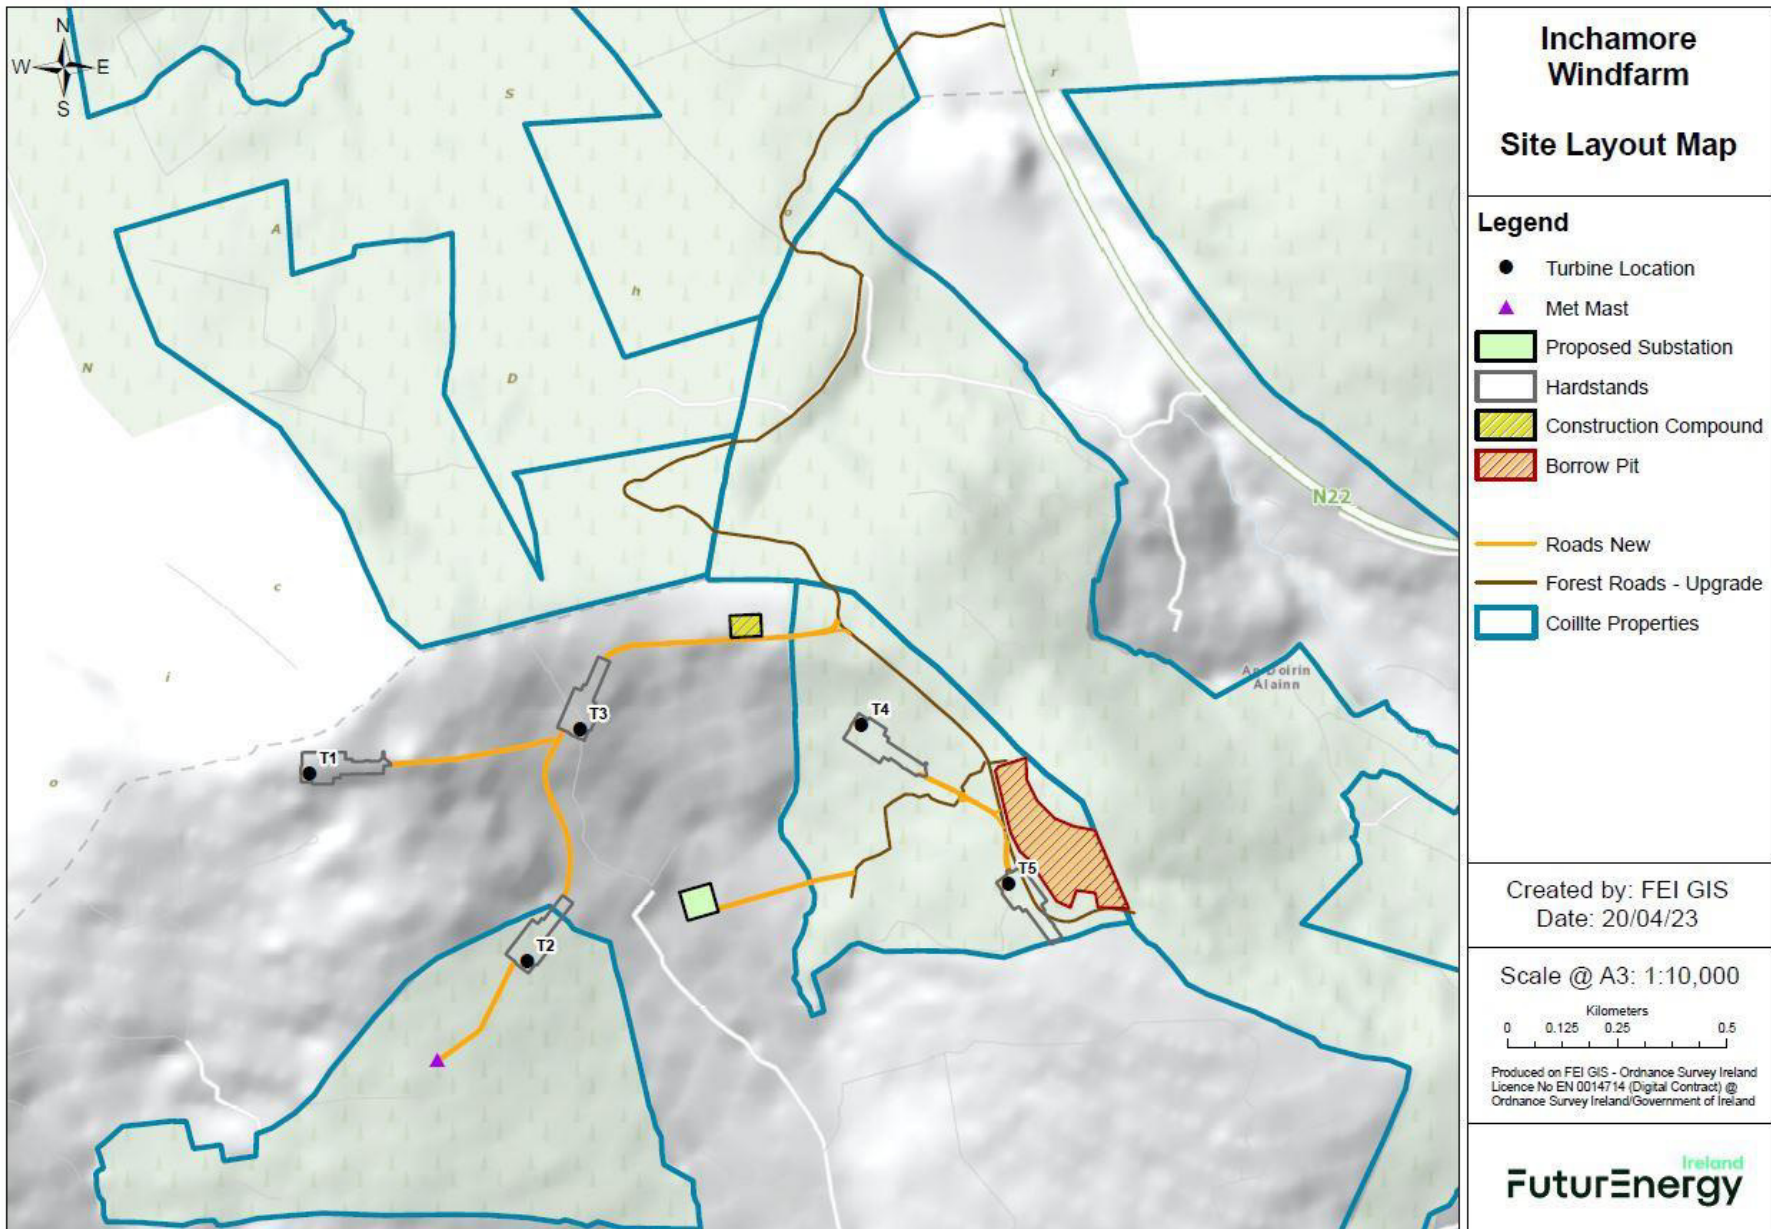

Please note that I have no authority to bind Coillte and no binding agreement shall exist or be deemed to exist until such a time as a formal contract has been agreed between all parties, executed and exchanged and all sums due there-under paid in full. Please note that this letter is not and shall not constitute a note or memorandum in writing for the purposes of Section 51 of the Land and Conveyancing Law Reform Act, 2009.

Yours faithfully,
